CRC Communications Becomes Official Home Base for NDC-Thunder Bay

Thunder Bay, ON (July 21, 2011) – The National Development Centre – Thunder Bay (NDC) is pleased to announce that CRC Communications has become the new office headquarters for the team and has moved up to be one of our Premium Sponsors!

NDC staff members will now be operating out of the CRC Communications building located at 555 Dunlop St. This move provides NDC with an amazing operational resource and allows athletes and staff to function as efficiently and productively as possible.

NDC would like to thank Reid Carter and all the staff at CRC Communications for welcoming us and for this amazing opportunity to grow our operation in a comfortable and professional manner. NDC-Thunder Bay is very excited to officially call CRC-Communications home!

CRC has been a long time and key partner of NDC-Thunder Bay and continues to serve as the “leading authorized dealer and service depot in Northwestern Ontario for Canada, the industry leader in communication technology” (<http://www.crccommunications.com/>).

For more information concerning CRC Communications products and services, please visit (<http://www.crccommunications.com/>).

About NDC-Thunder Bay

NDC is a community-based organization working within the framework of Cross Country Canada to provide elite cross-country skiers with intensive training and competition programs. It is one of only four NDC's in Canada with the others based in: Quebec City, Callaghan Valley, BC and Canmore, Alberta. Since 1994, the NDC-Thunder Bay has been a cornerstone for the development of elite cross-country ski racers in Canada. These outstanding young men and women are dedicated to the challenge of becoming Canada's future Olympians and represent excellent role models to the sporting youth in Thunder Bay and across Canada.
